**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic as my DSL and landline provider. They are a carrier using AT&T's copper lines. Sonics customer service is outstanding compared to AT&T's. They are local so one doesn't get sent to an off-shore call center like AT&T uses. Sonics DSL service is also way better they don't throttle the download speeds like AT&T did before I switched to Sonic, and their pricing is more reasonable and stable. It would be a disaster to reduce competition and diminish consumer choices by allowing the US Telecom petition to become law.
